To Whom It May Concern

REFERENCE FOR ANIS FOUNDATION INCORPORATED

The bearer of this reference, ANIS Foundation Incorporated, a locally registered Non-Government Organisation (NGO) was engaged by the Bank of Papua New Guinea under the Micro-finance Expansion Project (MEP) as an implementing contractor to provide Business Development Skills (BDS) Training in Morobe Province.

ANIS Foundation Incorporated has successfully completed the above contract within a required timeframe of 6 months (February- July, 2018) and delivered training up to a target of more than 700 participants. Since ANIS Foundation Incorporated has demonstrated institutional capacity, project management experience and highly-skill personnel, the organisation was able to deliver the contract to satisfactory level, fulfilling the contractual obligations of the contract assignment.

Prior to the engagement of the MEP project, ANIS Foundation Incorporated has had an impeccable project management track record with some of the most notable donors and development partners in the Asian Development Bank (ADB) and the national Department of Works (DoW), the PNG University of Technology, Simbu Provincial Government and the Seventh-Day Adventist Churches head of Mission in PNG (PNG Union Mission). These partners have developed a better working relationship with ANIS Foundation Incorporated in delivering development projects in a number of communities in Papua New Guinea.

Given the experience and capacity that ANIS Foundation Incorporated has; I have no reservations in recommending the organisation (Anis Foundation) to undertake development projects of similar value and scope in the future ahead.

Should further information is required, I can be contacted on 321 8854 or email address indicated.

Yours faithfully,

Jacob Gop (Mr)
