REFERENCE FOR ANIS FOUNDATION INCORPORATED

This letter of reference is to confirm ANIS Foundation Incorporated as a locally registered Non-Government Organisation (NGO), engaged by Department of Works to implement Livelihood Restoration Training Program on our Roads and Bridges Improvement Program funded jointly by Government of PNG and Asian Development Bank over the last three years.

ANIS Foundation is implementing our Livelihood Restoration Training Program to support people affected by Roads and Bridges Improvement Program along Henganofi-Nupuru Road in the Henganofi district (Eastern Highlands Province); Magie and Hiritano Highways in the Rigo and Hiri/Kairuku Districts in the Central Province.

ANIS has demonstrated institutional capacity and experience in Agriculture, Livestock and Financial Literacy Training and assisting local people to do marketing as well as to secure markets. DOW/ADB project office is pleased with the performance. They have a reputable project management experience as evidenced by the successful delivery of their contracts.

Considering their invaluable experience and capacity, ADB Project Office recommends ANIS Foundation to any prospective development partners that require their professional service.

For additional Information please contact this office on the numbers provided above or the undersigned on email to: pmanda@works.gov.pg.

Yours faithfully,

Philip Manda (Mr)
